Maffra Primary School

Strategic Plan 2009 – 2012

KEY FEATURES FOR 2011

• Reading and Measurement are our focus areas.

• Class teachers will collect data in February and November using an assortment of English On-line, PM Benchmarking, Observation Surveys, Torch Test, On Demand Testing and the Numeracy Interview.

• GLIS Reading, Writing and Wordwork practices will continue to spread, supported by GLIS coach

• Full implementation of a whole school curriculum map (Scope and Sequence chart) for the dimension of Reading and for the dimension of Measurement.

• Development of a shared understanding of the E5 Instructional Model through professional learning and the sharing of strategies.

• Embed the E5 Instructional Model into classroom practice.

• The teaching of social skills, using the MPS Social Skill Policy, will be a classroom focus and feature in performance reviews.

• Individual Learning Improvement Plans will be designed for identified students and completed in Student Support Group meetings.

• Implementation of MPS Transition Policy that covers students moving into, through and out of the school.
